

Rorschach Performance Assessment System (R-PAS)

4-Day Basic Workshop

(3-Day Basic Workshop optional with experience and homework)

Donald J. Viglione, Jr., Ph.D., A.B.A.P.

This R-PAS workshop is designed for participants with no previous Rorschach training and those experienced in the Comprehensive System. It provides a thorough, “hands on,” introduction to the R-PAS. Participants can expect to learn R-PAS administration, coding, and interpretation through lecture presentations and interactive experiences.

The workshop will have a mixed schedule, with new learners attending all four days of training. Experienced Rorschach users will attend days two through four. Nevertheless, experienced users would benefit from attending the first day. Skipping the first day is feasible for experienced participants who complete the pre-workshop homework.

All participants should bring a Manual to the workshop. Pre-workshop reading assignments are found in the R-PAS Manual (*The Rorschach Performance Assessment System, Administration, Coding, Interpretation and Technical Manual*, [Meyer, Viglione, Mihura, Erard, & Erdborg, 2011]). After registering for the workshop a 10% discount code will be forwarded to you so that you can order the Manual. In addition, all participants will receive one free protocol processing on r-pas.org. A one hour follow up conference phone call will be set up to assist in implementing skills learned in the workshop.

- Participants who are new to the Rorschach are expected to read Chapters 1 and 2 of the R-PAS Manual before attending.
- Participants with recent or substantial experience with previous Rorschach systems who wish to join the workshop on Day 2 must prepare by reading Ch. 3 and reviewing Appendices B, C and D (pp. 492-497) in the R-PAS Manual. In addition, these participants need to study the scoring and verbalizations in Case#1, which will be provided.

SCHEDULE

Day 1 – Saturday, Nov. 1 -- Introduction to R-PAS for new learners with a focus on the coding process

Morning	8:30 Registration
	9:00 Basic administration procedures, and basic coding – lecture
Lunch	12:30
Afternoon	1:45 to 5:15 Coding practice/review and Case #1

There will be a 15 minute break each morning and afternoon.

Day 2 – Sunday, Nov. 2 – More experienced users join new learners

Morning	8:30 Registration
	8:45 Protocol level calculations, norms, understanding R-PAS output preparation, introduction, and Case#1
Lunch	12:15
Afternoon	1:30 to 5:00 Coding practice and review, administration review: Case#2

Day 3 – Monday, Nov. 3 – Administration

Morning 8:45 Administration essentials, introducing the test, Response Phase documentation, and practice
Lunch 12:15
Afternoon 1:30 to 5:00 Clarification & with practice and review
In-putting a protocol on the R-PAS website

Day 4 – Tuesday, Nov. 4 – Interpretation

Morning 8:45 Interpretation Case#2
Lunch 12:15
Afternoon 1:30 to 5:00 Interpretation Case#3, practice and review.

EDUCATIONAL OBJECTIVES

Day 1:

1. Describe basic administration procedures.
2. Describe basic coding principles.
3. Describe coding categories.
4. Decipher coding symbols.

Day 2-4:

1. Describe protocol level calculations, norms, and R-PAS output preparation.
2. Describe administration essentials, introducing the test, Response Phase documentation, and practice.
3. Learn to input a protocol on the R-PAS website.
4. Demonstrate interpretation skills via case interpretation, practice, and review.

Donald J. Viglione, Jr., Ph.D., A.B.A.P. is a co-author and co-developer of the Rorschach Performance Assessment System. At the San Diego campus of the California School of Professional Psychology at Alliant International University, he is a Distinguished Professor at and past director of both the Ph.D. and Psy.D. programs in clinical psychology. He studied with Dr. John Exner as a graduate student and has more than 30 years experience teaching the Rorschach. Over the years, Dr. Viglione has published more than 80 papers and chapters. His assessment research focuses on the Rorschach and includes work on malingering, trauma, violence, and child and psychometric issues. He has offered Rorschach workshops internationally, is a Fellow of the Society for Personality Assessment, and maintains an active assessment and consultation practice in San Diego.

This workshop is being sponsored by the Fowler Institute and co-sponsored by the Arkansas Psychological Association. The Arkansas Psychological Association is an APA approved to sponsor continuing education for psychologists.

REGISTRATION FORM
Rorschach Performance Assessment System (R-PAS)
November 1 – 4, 2014

Space is limited. Register early to save your spot!

Target Audience: Psychologists and students interested in assessment. The instructional level for all activities is at the introductory to intermediate level.

Continuing Education (CE): The Arkansas Psychological Association is approved by the American Psychological Association to sponsor continuing education for psychologists. The Arkansas Psychological Association maintains responsibility for this program and its content.

Certificates: At the close of Day 4 a CE certificate will be given when completed evaluation forms are returned to the proctors. The APA Sponsor Approval System stipulates that credit is only to be awarded for full attendance.

Cancellations: Refunds minus a 20% administrative fee will be issued if a written request is received by postal mail, email or fax 5 business days prior to the event. Refunds will not be granted for a cancellation request received after this date.

Conflict of Interest: The Fowler Institute is receiving no commercial support for this training that might present any conflict of interest for the attendees.
